# Enjoy Glass

**Flaschenfreunde – The creative and sustainable answer for your industry.**

We combine sustainability with style and functionality to create customized glass bottle solutions for every sector. Our mission: act resource-consciously while strengthening your brand presence.

Our team has been passionate about glass bottles—and everything that makes them beautiful and useful—for many years. In 2020, we decided to bundle our ex-

pertise in a local, cross-company team. That's when we gave what we already were a name – Flaschenfreunde was born.

We are sustainable and connected to nature, explorers and lovers of home, innovative yet grounded, approachable and health-conscious.

We look forward to enriching your life with unique glass bottles!

# Perfect Add-Ons: Accessories & Sleeves

**Protect, enhance, and optimize your bottle with practical sleeves and accessories – for even more comfort and enjoyment.**

With our versatile accessories, your bottle becomes even more practical, personal, and sustainable. Our cleaning set keeps your bottle effortlessly clean: gentle, thorough, and eco-friendly – completely without chemicals. The stainless steel infusers allow you to prepare loose-leaf tea directly in your bottle, perfect for tea lovers who don't want to miss out on their enjoyment while on the go.

Our premium sleeves provide additional protection while keeping your drinks hot or cold for longer. At the same time, they give your bottle a stylish touch and make it even more comfortable to handle.

For special messages and creative customization, we offer our Bottle Post, which lets you place personal notes inside your bottle, as well as our glass and porcelain markers, so you can decorate your bottle according to your own ideas.

Rounding off our accessories are high-quality glass straws – not only sustainable and durable, but also enhancing the overall drinking experience.

Whether for protection, care, or personalization – our accessories help you get the very best out of your bottle!

## Protective Sleeves

Our sleeves protect your bottle, maintain the temperature, and provide extra comfort – perfectly fitted, practical, and stylish.

## Single Packaging

Customised cardboard packaging stylishly showcases your bottles and leaves a lasting impression.

## Stainless Steel Infusers

Add your own flavor to everyday water with the high-quality stainless steel tea strainer for your Hot Desire!
